Office of Petitions

Commissioner for Patents

Sir:

In connection with the above-identified application, Applicant has determined that according to PAIR, a Final Rejection was mailed May 12, 2008, and was returned to the USPTO as undelivered on May 15, 2008.

Although the Office Action was properly addressed, the file wrapper image shows that the envelope in which the Office Action was contained does not have any address. In this connection, a copy of the cover page of the Office Action with a USPTO received date stamp of May 15, 2008, and the unaddressed envelope, also with a USPTO received date stamp of May 15, 2008, obtained from PAIR are attached.

JAN 13 2009

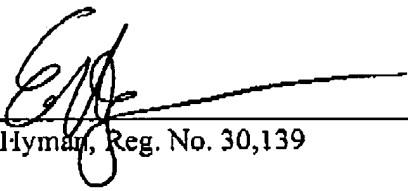

Since it is clear from the record that the Office Action was not received by Applicant or Applicant's representative, the Application should not be considered to be abandoned, notwithstanding that more than six months has elapsed since the apparent mailing date of the Action.

Accordingly, this is to request that the subject Application be reinstated, and the Office Action mailed with a new mailing date so as to reset the Response due date. In the event any Petition is needed to consider this request, Applicant hereby so petitions. In the event any fee is charged to consider this paper, please charge deposit account 02-2666. Additionally, in the event any fee is so charged, Applicant requests refund since the need to reinstate the Application, and any fee charged as a result, is due to no fault of the Applicant or Applicant's representative.

Respectfully submitted,
